You are the client ...

Logically, you are looking for a dynamic, responsive, versatile, efficient, available, creative, close, comprehensive, relevant, competent, pragmatic, flexible, innovative, and fun team, generalist in approach, and specialist in implementation, neither too small nor too large ..., and above all "original".

Look no further, it's Us!

A 360 ° Communication group made up of four fully collaborative entities, perfectly complementary and entirely at your service. Four structures optimized to promote short decision-making channels, permanent responsiveness, and managers' involvement as 'close as possible to each client. Four families of skills to which you have access according to your needs. Four structures backed by the partnership of one of the most prestigious international MEDIA Groups " MOODMEDIA ". Four joined up elements which together have as much weight as a one major entity but with proximity and fun in addition.

Talents, Value, Success, with the extra bonus of FUN!

MEDIAPRO, , a "Start up" state of mind:

We manage the budget that you entrust to us "as a Startup", it is a commitment to never trivialize the approach to your problem, never to resume or redo, nor to waste. The "start up" strategy is to make every moment a fresh, new one... It is to consider that nothing is ever taken for granted, that daily challenge is the best guarantee of your success. Positioning oneself "as a Startup" means committing to achieve the best results as quickly as possible by continuously innovating at a lower cost.

MOOD: is the international leader in customer experience. We help brands connect with their customers by offering sound design, audio messages, digital signage, and olfactory display solutions that work together to create an unforgettable experience. We have been in this business for over 80 years and we are proud to work with some of the most recognized brands in the world.

Our global experience in concept creation, organization and management of events is at your disposal, professionals and individuals, to precisely define your needs and bring to each request an adapted answer with high added value.

Gala dinners, thematic evenings, birthdays, ...

Full management

We take care of the entire operation, from the creation of the concept to the production of the event.

Logistical support

Media Event intervenes in the realization of your event by assisting you during certain stages, according to your needs. An "à la carte" support service to help you focus on the essentials.

Advice

We also intervene as advisors in various fields: Study of the constraints of special places, rules of a good session, service protocol, official protocol, ceremonies, transportation.

The internal life and receptions

Every company manager wishes to create a real company culture where each of his employees feels involved both socially and as well as professionally. To succeed in this challenge, it is necessary to be able to create many vectors of exchanges and conviviality. All of these internal events will help to bring the employees of a company closer together. and Media Events will be there to accompany you and meet all your expectations.

Seminars and Inventives

Do you want to re-post and re-weld your teams? What could be better than a seminar? When relaxation, visit and idleness alongside work meetings and sporting events. When workers and managers work together, discover each other and have fun, during a weekend abroad or at the seaside, during a cooking class, a go-karting session A federative and implicit work, revealing the caralonnère of each one!

Media Event is here to help you organize its events in a professional, original and friendly manner!
